

Capstorm

2019 Pricing Guide

Individual Licenses

CopyStorm.....\$1,475

CopyStorm/Restore.....\$1,475

- CopyStorm is licensed per computer for a single Salesforce Organization ID.
- CopyStorm/Restore is licensed for a single Salesforce Organization ID.
- If the Salesforce Organization is a sandbox, CopyStorm and CopyStorm/Restore are licensed for use with a single Salesforce Org for each 30 day period. The sandbox must be associated with a single named Salesforce production instance.

Site Licensing

CopyStorm.....\$9,950

CopyStorm/Restore.....\$9,950

- A site license allows for unlimited usage with one production Salesforce Organization and all associated sandboxes.
- Installation and use are limited to a 50 mile (80 kilometer) radius of a single named location.

Enterprise / Global Licensing

Enterprise Unlimited.....\$34,000

- This option allows for unlimited backup and restore of a single named Salesforce production instance plus all related sandboxes on a global level.

Expanded Solutions

CopyStorm/Search.....\$5,000

- Licensed per Salesforce Production instance.

CopyStorm/View.....contact sales

- Licensed per Salesforce Production instance.

All licenses are renewable annually and include application updates and email support.
All prices in USD and subject to change without notice.
